LA SALLE LOYALTY SONG

By Fred Waring, Tom Waring
and Pat Ballard

We'll be ever loyal to thee, La Salle;
Ever willing to prove our devotion.

As Explorers we'll always go onward,
exalted in heart and soul.

We'll strive to reach our goal,
O'er ev'ry crag and shoal,
The Blue and Gold—our constant
inspiration.

We'll be ever loyal to thee, La Salle,
As we rally and sing of thy glory,
La Salle. REPEAT (rubato)

THE PRESIDENT'S MESSAGE

A college education is a cooperative enterprise in which the administration and the faculty share with the student the responsibility of improving his talents of mind and body and of elevating his aspirations of soul.

Whatever the circumstances of life may be, man is better prepared to meet them if he has used every opportunity for the improvement of himself and his fellow man.

For the second time in a decade, college men are faced with the possibility of an interruption of the normal way of life. Our country is entering upon a long period of mobilization and the occurrence of another world-wide conflict is a probability.

The experience which college men had before entering military service in World War II teaches the lesson that no man should neglect his educational opportunities. Regardless of how long you may be permitted to remain in college, apply yourself diligently and courageously. You will thus derive a high degree of satisfaction from your participation in the curricular and extra-curricular programs of La Salle College.

BROTHER G. PAUL, F.S.C., *President.*

THE DEAN'S MESSAGE

As the year commemorating the tercentenary of the birth of St. John Baptist de La Salle draws to a close, I humbly accept the opportunity to pay my personal tribute of homage to his glorious memory, by assuring the students that their welfare and progress will receive the attention inspired by the spirit of the Founder of the Christian Brothers.

I commend all the endeavors of this office to the intercession of St. La Salle whose unselfish interest in the Brothers and their students, as well as his triumphs in all fields of éducation, has merited for him the title "Patron of All Teachers."

THE CHAPLAIN'S MESSAGE

Recently I read that the author of "A Tree Grows In Brooklyn" would not write any novel based upon contemporary life because there was in it too much cynicism and frustration. College men must face and wrestle with life as it is. They cannot afford the luxury of such aloofness.

Successful living demands a morale which too often is thought of as being evoked only by a crisis. Essentially, morale is nothing more than "the old-fashioned virtue of fortitude which comprises courage, hope, patience, optimism, and a conviction of the worthwhileness of human endeavor. It is the remedy for disillusionment, and is not discouraged by disappointments and temporary frustrations; with steadfastness and buoyancy it pursues its goal." Morale is a fundamental necessity if life is to become the experience of high adventure and spiritual beauty it is capable of being.

REV. CHARLES F. GORMAN

THE DEAN OF FRESHMEN

My welcome to the class of 1955 carries with it a challenge which is inherent in the transition you are about to make from high school to college work, a transition which at first glance would seem to be an easy one to accomplish. It is not. Since many of the external disciplinary forces of your previous schooling do not obtain on the college level, you will experience a new sense of freedom from restraint. Therefore, unless you engender an interior discipline of intellect and will, you may mis-use this freedom and your stay at La Salle, no matter how long, will be a waste of your time, a squandering of your talents and ultimately a deep-rooted feeling of hopeless frustration.

As Dean of Freshmen I am here to help you make this transition as pleasant and as painless as possible. It can be done. Stop in at 103 Benilde Hall whenever you feel I can be of help to you.

GENERAL INFORMATION

History of the College

In 1863, eighteen years after the Christian Brothers first came to the United States, the development of Catholic education in the Diocese of Philadelphia had created the need for a Catholic college within the limits of the city. To that end, a group of eminent priests and laymen, led by the Most Reverend James Frederick Wood, later Archbishop of Philadelphia, obtained a charter for the incorporation of La Salle College from the Legislature of the Commonwealth of Pennsylvania. The Christian Brothers' Academy, which had been organized during the previous year as a part of St. Michel's parochial school, became the nucleus of the new college.

By 1929, when it was moved to its present site, the College had already outgrown three previous locations. And almost as soon as the College and Faculty buildings were occupied, ground was broken for the Field

House, which was ready for use early in 1930.

Since then the continued growth of the academic and athletic programs of the College has necessitated additional facilities. These include McCarthy Stadium, built in 1937 and named for John A. McCarthy, a generous benefactor of the College; McShain Hall, dedicated in 1940 and named for John McShain, another generous benefactor; Leonard Hall, the student union building, completed in 1947 and named for Brother Gervald Leonard, whose devoted service to the men of La Salle College has endeared his memory to all who knew him; and Benilde Hall, a new building with facilities for nine classrooms and offices for members of the faculty. It is named for Blessed Brother Benildus, the second Christian Brother whom the Holy See has seen fit to consider for canonization.

Thus, since its inception, La Salle College has grown steadily in order to meet the demands for modern Christian education, especially during these last

few years when so many veterans have taken advantage of the opportunity to obtain or complete their college education.

The Faculty of La Salle College

The faculty of La Salle College is made up of Brothers of the Christian Schools and of laymen who have devoted their lives to Christian education. The Brothers, following the tradition of their Founder, Saint John Baptist de La Salle, have dedicated their lives to the education of youth: "Without the possible distractions of the priesthood, Brothers give their undivided energies to the men in their classes. . . . Divided from them only by the thin lines of a religious habit and the tremendous but invisible wall of their vows, they can win confidence, solve problems, and offer sympathetic understanding. They are teachers lifted to supernatural heights by their consecration."*

The laymen on the faculty have been selected for their special qualifications

* Reverend Daniel A. Lord, S.J.

in their chosen field of endeavor and for their adherence to the principles of Christian education typified by the Brothers of the Christian Schools.

Aims of La Salle College

The basic aim of La Salle College is to provide an education that is both liberal and Catholic.

In providing a liberal education, the College regards the student as an individual who is to be placed in an environment that will enable him to work to the limit of his capabilities so that the all-important step from formal education to self-education can be taken at the earliest possible moment. This objective is achieved, not by preparing the student to step directly into a specific career, but rather by giving him the opportunity to acquire the prerequisites for any career: the ability to write correct and effective English; the ability to read with facility works written in French, German, Italian, or Spanish; an acquaintance with the fields of English and

American literature, natural and social science, philosophy, and history.

After these basic requisites have been satisfied (for the most part by the end of the second year), the student is in position to learn as much as possible about one area of concentration, courses in which occupy the principal part of the last two years. These courses may be selected for the specific purpose of qualifying for admission to a professional school, a graduate school of arts and sciences, a graduate school of education, or some other institution which carries further the specialization begun in the College. Or it may be that the student will step directly into a business, teaching, or other profession. In any case, the same basic principle applies: The recipient of the bachelor's degree must have a general background *and* a field of specialization.

In providing a Catholic education, La Salle regards the student as an individual whose character and morals are to be formed to accord with the

concept of a well balanced sacramental life. This is achieved in part by the requirement that all Catholic students pass successfully the prescribed courses in religion, and that all students pass successfully the prescribed courses in philosophy, all of which are oriented to the principles of Neo-Scholasticism.

But beyond this formally religious aspect of the College curriculum there is the larger concept, not of philosophy as a subject to be studied, but of Catholic philosophy as a way of life. This concept pervades every part of the curriculum and of the social life of the College. It provides not only a religious orientation but a systematic approach to knowledge that is of incalculable value in every aspect of the student's college career.

The non-Catholic student is not required to attend religion classes, but he must take the prescribed courses in philosophy. Further, he must recognize that he is moving in a Catholic environment that cannot help but influence him.

No refund shall be made of the matriculation or registration fees. Refunds of tuition and other fees shall be made according to the following schedule; if the period of attendance is two weeks or less, 80 per cent shall be refunded; between two and three weeks, 60 per cent; between three and four weeks, 40 per cent; between four and five weeks, 20 per cent. If a student attends more than five weeks, no refund shall be made.

FACULTY COMMITTEES

Faculty committees which bear direct influence on students are the following:

1. *Committee on Academic Standing and Degrees.*

Brother F. Christopher, *chairman*; Brother G. Joseph, Mr. Flubacher, Miss Keily, *Secretary*.

This committee meets after semester examinations to discuss students who are not in good standing. Recommendations made in each case flow from the deliberations of the committee. This committee, likewise, determines whether a candidate has fulfilled the requirements for a degree. Should the committee deem it necessary, students may be asked to appear before it. Any communication to the committee by students can be filed with the chairman of the committee.

2. *Committee on Recommendations.*

Since 1947, a rule has been in effect concerning letters of recommendation in favor of students applying to a

professional school or a non-professional school.

No student is permitted to solicit a letter of recommendation from individual members of the faculty. Students desiring a letter of recommendation must apply for such by filing a request with the chairman of the particular committee empowered to recommend the student. The opinions of any or all members of the faculty are available to the Committee on Recommendations.

A. Applications for recommendations to professional schools, such as Medical Colleges, and applications for recommendations to graduate schools of science, are to be acted upon by the following committee:

Brother Christopher, *chairman*; Dr. Holroyd, Brother D. John, Brother M. Edward.

B. Applications for recommendations to non-science professional schools, such as Accounting Schools, Schools of Business Administration,

and Schools of Law, are to be acted upon by the following committee:

Mr. Guerin, *chairman*; Mr. Henry, Mr. Halpin.

C. Applications for recommendations to non-professional graduate schools are to be acted upon by the following committee:

Mr. Flubacher, *chairman*; Brother E. Patrick, Mr. Barrett.

THE LIBRARY

The college library is at present located on the first floor of College Hall. Its collection of 35,000 volumes and 250 magazine subscriptions is centered around the college curriculum and provides most of the books a student is ordinarily called upon to consult. These holdings, as well as the collection of recordings and microfilms, will be greatly augmented when the new library building, now under construction, is completed early in 1952.

Withdrawal of Books

Each student will be given a library card entitling him to withdraw books for home or library use. He must present this card each time a book is withdrawn, and he shall be held responsible for all books drawn on the card. Books may be retained for a two-week period and may be renewed once.

Reference works (dictionaries, encyclopedias, and the like) are shelved in the main reading room. These are for use in the library only and may not be withdrawn for outside use.

Books placed on reserve by faculty members for the use of students may be withdrawn for use in the library. Some may be taken out for overnight use. Regulations concerning these are posted in the "List of Reserve Books" at the charging desk.

A fine of two cents per day (higher in the case of reserve books) is charged for books not returned on time. During the period when a student owes a fine or retains an overdue book, his library privileges are suspended.

SCHOLASTIC REGULATIONS

1. *Registration.*

A student has registered when he has completed the required form cards and has complied with the directions given below.

The cards are approved by a member of the Dean's Registration Committee. They are taken to the business office for the Bursar's approval. He returns to the student the stamped course cards and a roster card for the student's use.

Two identification photos, one-and-a-half inches by one-and-three-quarters inches, are taken during the period of registration.

2. *Attendance.*

A student is expected to attend every class in each course for which he is enrolled. No student should excuse himself from class for the reason that he feels he has been placed in a course or a section below his level of achievement. In such a case, a student should

report promptly to the Dean who will investigate the unsatisfactory placement and make whatever adjustments may be deemed necessary. A student is held responsible for all the work that he missed as a result of absence from class or laboratory.

Failure to be present in class or a laboratory ten minutes after the time when the instructor in charge opens a scheduled class or laboratory exercise constitutes an absence.

A "cut" is the privilege of absence from class without penalty from the Dean's office. It is enjoyed only by a student in good standing.

A student in good standing is permitted in each semester a maximum of "cuts" equal in number to twice the number of semester credit hours assigned to that course. "Cuts" are not to be regarded as a right but as a privilege reserved for conflicts with extra-curricular engagements, for sickness, and other unforeseen circumstances. A student is held re-

sponsible for all work missed because of "cuts."

A student in good standing who is doing unsatisfactory work by mid-semester may lose the privilege of "cuts" at the discretion of the Dean.

All students are expected to attend classes regularly. Cumulative absences of more than two weeks or consecutive absences of more than one week in any course are regarded as excessive. The instructor of the course will deal with such cases in accordance with the circumstances which necessitated the absence and will notify the Dean's office in either case. A student who is absent to excess and without good reason is given a grade of "F." Attendance is noted from the first regular class meeting regardless of the time of registration.

All absences will be treated as unexcused absences unless excused by the Dean.

Absences are computed from the first class meeting of the semester. Absences due to late arrival, to post-

ponement of enrollment, to change of courses, to unsatisfactory placement, are charged against the student unless excused by the Dean.

A student who has exceeded the limit of cuts allowed in a given course may be excluded from the course until permitted to return to it by the Dean.

Anticipated absences from class for which excuses are desired because of extra-curricular or academic engagements must be reported by the student to the Dean's office no later than one day before the actual day of absence. Where a group is involved, the proper authority in the group must arrange for the excuse.

3. Credit Hours.

A semester credit hour is defined as 50 minutes of lecture or recitation, or the equivalent amount, usually 100 minutes, of laboratory time per week for one semester of 16 weeks. The normal student load is 16-18 credit hours per semester.

4. *Full-Time Student.*

A student who is enrolled for a semester in courses which have a total credit evaluation of at least twelve semester hours is a full-time student.

5. *Scholastic Load.*

No student ordinarily carries a roster having a total credit evaluation of more than eighteen hours. Permission to carry more must be expressly secured from the Dean. This permission is usually restricted to those who are on the Dean's list.

Additional courses over and above the regular roster assigned to the student may not be taken without the express approval of the Dean. There is an extra charge of \$12.50 per credit for each approved course taken in addition to the regularly scheduled roster. Ordinarily, only those students who are on the Dean's list are permitted to take extra hours.

6. *Special Student.*

A student who is not enrolled for a

degree, but who is qualified by previous preparation to take certain courses for credit is a special student. Credits earned by a special student may be counted towards a degree as soon as he has met all the requirements for entrance and candidacy, provided that the credits thus earned be applicable to his program of studies for the degree. A special student cannot hold a scholarship nor take part in extra-curricular activities.

7. Examinations

Examinations are ordinarily given at the end of a semester. However, additional examinations are given whenever the instructors deem them advisable.

Students who for satisfactory reasons fail to take a semester examination at the scheduled time may take a postponed examination. A postponed examination permit must be secured in the Dean's office.

8. Grades

A progress report (mid-semester

grade) in each course of every student is submitted to the Dean's office at the middle of each term. Permanent records are made only of the final course grades submitted at the end of a semester.

A report at the termination of the Freshman year is sent to the principal of the high school from which the student was graduated.

A copy of course grades will be sent to the student at the end of the semester.

In determining the final course grade, recitations, written examinations, and the final examination are considered. In recording the final grade for each course, the following system is employed:

A—SUPERIOR (93-100)
B—VERY GOOD (84-92)
C—AVERAGE (77-83)
D—PASSABLE (70-76)
F—FAILURE (below 70)
I—INCOMPLETE
N—CONDITIONAL
WP }
WF } —WITHDRAWAL
WX }

The "C" grade is given for work that satisfies the average requirements of a course. It means that the student has attained such familiarity with the content of a course and such ability to use this knowledge as may in fairness be expected of any student of ordinary ability who gives to the course a reasonable amount of time, effort, and attention.

The grade "B" is given to that student who adds to this average of satisfactory attainment a high degree of excellence in meeting some of the characteristic demands of the course, or a moderate degree of excellence in several of these. He may, for example, be conspicuous for unusual accuracy, completeness in factual detail, or perfection in form of work; for independence of method, for grasp of the subject as a whole, or for a touch of the constructive imagination. The "B" student, however, definitely fails to show such excellence in his response to one or more tests.

The "A" grade is given for superior

work. It is a mark which signifies conspicuous excellence in meeting every demand which can fairly be made by the course.

The "D" grade is the lowest passing mark. It is given to that student who is below average in ability, knowledge, interest, effort and attention, but who is not completely unsatisfactory.

The "F" grade is given to a student who is so deficient in ability, knowledge, effort, interest, etc., that he does not merit a passing grade.

An "F" grade is likewise assigned to a student who withdraws from a course without the written permission of the Dean.

The "I" grade is a provisional semestral grade given by an instructor to a student who has otherwise maintained throughout the semester a passing grade in a course, but who has failed to take the semester examination in the course or to complete certain prescribed course work. If the absence from the examination is excused by the Dean, the student will

take a postponed examination not later than the middle of the next semester and will receive the grade to which his performance in that examination and his semester's work entitle him. If the absence is not excused by the Dean, or if the unfinished prescribed work is not completed to the satisfaction of the instructor by the end of a two-weeks' period following the beginning of the next semester in residence, the "Incomplete" will automatically become a "Failure."

The withdrawal grade is given to a student who receives permission to withdraw from a course, or who withdraws from the college with permission before the end of the term. If the student's work at the time of withdrawal is satisfactory and if the reason for withdrawal warrants such, the withdrawal mark will be WP; if the work is unsatisfactory, the mark will be WF; if the withdrawal occurs within the first two weeks and there is no reason for assigning another grade, WX is assigned.

A student who withdraws from a course must secure a withdrawal permit from the office of the Dean and present it to the instructor from whose course he is withdrawing; otherwise he runs the risk of incurring a grade of F for the course.

The conditional grade—N—is given at the end of the first term of a two-term course when the work of the first term has been too poor to merit a passing grade, but yet the student's attitude and progress in the course indicate that he may be able to pass the work of the second term. If the student then receives an "F" grade for the second term, the "N" for the first term also becomes an "F"; if he receives a passing grade ("A," "B," "C," or "D"), his grade for the first term becomes a "D" and he receives for the second term the grade actually earned for that term.

No one but an instructor in a given course can assign or change a grade in that particular course. Such a change

must have the approval of the Dean's office.

9. *The Scholarship Index.*

The scholarship index system is used at La Salle to determine a student's average grade. In determining the index, each letter grade is ascribed a numerical value as indicated below:

A is valued at 4 points;

B is valued at 3 points;

C is valued at 2 points;

D is valued at 1 point.

A point score is calculated for each course by multiplying the numerical equivalent of the letter grade by the number of semester hours. The scholastic index, or the average grade of all courses, is determined by dividing the sum of the point scores for all courses by the total number of semester hours. An example follows:

Grades	Subject	Value	Hours	Points
B	Religion 101	3	2	6
C	English 101	2	3	6
C	History 123	2	3	6
A	Economics 111	4	3	12
F	Biology 117	0	3	0
D	French 101	1	3	3
			17	33

The scholastic index is 1.94, the quotient of 33 divided by 17. The index of 4 is a perfect grade.

10. *Quality Point Score.*

The purpose of the Quality Point Score is to establish a level of proficiency and scholarship which is above that attained by passing and low average grades. In calculating this score, each letter grade is given a numerical value as indicated below:

A is valued at 3 quality points per credit hour.

B is valued at 2 quality points per credit hour.

C is valued at 1 quality point per credit hour.

D or less do not merit any quality points.

The number of quality points per course is the product of the number of semester credit hours times the grade value. The example of grades in section 9 would yield 19 quality points for that semester's work:

Grades	Subject	Value	Hours	Quality Points
B	Religion 101	2	2	4
C	English 101	1	3	3
C	History 123	1	3	3
F	Biology 117	0	3	0
A	Economics 111	3	3	9
D	French 101	0	3	0
				<hr/>
				17 19

A total of 128 quality points is one of the requirements for a degree.

(The Quality Point Score is not to be confused with the Scholarship Index explained in Section 9.)

11. *Good Scholastic Standing.*

A student is in *good scholastic standing* when at the end of any term:

(1) he has a scholarship index of 2.00 or better in all courses; (2) he has not received "D," "Failure" or "Incomplete" grades in more than one-third of the credit hours which comprise his roster for that semester; and (3) his disciplinary record is satisfactory.

A student is considered a member of the class with which he will be graduated; transfer students, students who are making up failures, and students whose scholastic index is too low to admit them to standing with those students with whom they entered school are considered as members of the next lower class until they have cleared all deficiencies.

The annual standing of a student is determined on the basis of the average of all his previous semester grades.

12. *Scholastic Discipline.*

Failure to obtain a final grade of at least D in a course listed on a student's roster results in a deficiency in that course.

Any course dropped without the

written permission of the Dean is recorded and evaluated as a deficiency (Failure, F).

13. *Academic Censure.*

Academic censure may assume any one of four forms, depending on the gravity of the situation calling for scholastic discipline.

(a) *Warning.* An official *warning* is given to a student whose scholarship index falls below 2.00 or who has received "D," "Failure," or "Incomplete" grades in more than one-third of the semester hours which comprised his official roster for the term last completed.

(b) *Probation.* A student is *placed on probation* when he has a scholarship index of less than 2.00 and has received "D," "Failure," or "Incomplete" grades in more than one-third of the semester hours which comprised his official roster for the term last completed. Such a student will be continued on probation until he re-

moves all deficiencies and satisfies the conditions for *good standing*.

A student on probation forfeits, at the discretion of the Committee on Academic Standing, the privilege of cuts, participation in extra-curricular activities and eligibility to class office.

Suspension. This is forced withdrawal from courses and residence with the privilege of returning at the discretion of the Committee on Academic Standing.

Dismissal. This is forced withdrawal from courses and residence without the privilege of seeking re-admission.

A student is liable to dismissal: (1) if, at the end of the scholastic year he has a scholarship index of less than 1.5 *and* has grades of "D" or less in one-half of the credit hours of his official roster for that year; (2) continued probation for four terms; *or* (3) whenever, in the opinion of the Committee on Academic Standing, a student shows by poor scholarship that he is no longer profiting by the educational program of the College.

The Committee on Academic Standing carefully examines all the factors involved in each case of academic censure. No decision is reached until the individual student has had an opportunity to appear in person before the Committee on Academic Standing.

In matters of student discipline and when the Committee on Academic Standing cannot function the above forms of censure may be administered by the Dean of the College.

14. *Scholarship Students.*

An honor student, who has been appointed to scholarships, or who has earned a scholarship in competition, is expected to maintain a B average (a general average of 3.0); otherwise, the scholarship will be forfeited.

15. *Dean's Honor List.*

The Dean's Honor List is published at the termination of each semester.

Those students who have a cumulative average of 3.4, are placed on the Dean's List. To be eligible for this list, a student must have complied with

all of the regulations of the College and must be free of all academic censure. Freshmen are not eligible for inclusion on this list.

Students on the Dean's list are excused from the regulations governing attendance at class. However, they are expected to fulfill the requirements of every course rostered, whatever be the nature of the requirements.

16. Lower Division Requirements.

At the end of the fourth term, every student shall be required to choose the area of instruction in which he wishes to concentrate in the Upper Division.

He should have earned a minimum of 64 semester credit hours and a minimum of 64 quality points in Lower Division work. Permission to concentrate in the chosen area will be granted to those students who have attained at least a "C" grade in the courses which are required for that area in the Lower Division. A student who fails to qualify for an area of instruction may not advance to the Upper Division.

17. Upper Division Requirements.

The general requirements for the completion of any of the Upper Division curricula are the successful completion of 12 hours in the required Philosophy courses and a minimum of 32 hours in courses in one Area of Instruction, plus sufficient other courses to bring the total number of semester credit hours to 64. These 64 hours earned on the Upper Division must be in courses that have been designated as Upper Division courses for the curriculum which the student is following.

18. Senior Standing.

A student is eligible for senior standing when his record indicates that he can complete all requirements for the degree in two semesters.

19. Requirements for Degree.

The candidate for the bachelor's degree must complete course work equivalent to 128 semester hours and must attain a quality point score of 128. A minimum of 64 hours in Upper

Division courses must be included in the total of required hours.

He must likewise have fulfilled all the requirements of the Area of Instruction in which his curriculum was followed.

Eight semesters are required for a degree. The senior year must be spent as a regular student in attendance.

A candidate for the degree must have removed all failures in those courses which are listed in his particular Area as being required. In all cases, final judgment will rest with the Committee on Academic Standing.

20. *Honors.*

The bachelor's degree, with distinction, shall be conferred on a student who has completed his course at the College with a general average not lower than "B" and without having incurred the penalty of loss of good standing for disciplinary reasons.

In the computation of honors, the candidate for the bachelor's degree who has earned an average of 3.8 in

all courses will be graduated with the designation *maxima cum laude*.

A candidate who has earned an average of 3.6 during the same period of time, will be graduated with the distinction *magna cum laude*.

A candidate who has earned an average of 3.4 will graduate with the distinction *cum laude*.

Honors are computed on the basis of the work done for eight semesters.

Only the names of those students who are to receive degrees on Commencement Day will appear on the program of the graduation exercises.

All students who are to receive degrees on Commencement Day are required to attend the Commencement Exercises, unless specifically excused by the President of the College. This directive also applies to the rehearsal for Commencement. Students who are excused must notify the Dean in writing they will not be in attendance.

21. Awards.

Each year, through the generosity of friends of La Salle College, awards are made to members of the student body in recognition of excellence achieved in the various fields of College activity.

The *Corporal William S. Diamond, II, Scholarship*, which covers full tuition during the Sophomore Year, is awarded annually on the basis of scholastic standing and financial need to a student who has completed his Freshman Year at La Salle College and is enrolled in a four-year curriculum.

The *Honorable William F. Harrity Memorial Award for Religion*, which is open to all students of the College;

The *Anastasia McNichol Memorial Award for the English Essay*, which is open to all students of the College;

The *Sir James J. Ryan Memorial Award*, which is offered to the Senior with the best scholastic record;

The *William T. Connor Award* for the Senior who has the best scholastic record in the Sciences;

The *John J. Mooney Award* for the Senior with the best scholastic record in Language and Literature.

The *Honorable Vincent A. Carroll Prize* for the Senior who has the best scholastic record in Philosophy;

The *Vernon Guischard Award for French* granted annually to the student in the Upper Division of the department of French who has maintained the best scholastic record in the study of the language and literature of France during his course of study.

Medals for Excellence in French are offered each year by the French government to the two students who have demonstrated the highest proficiency in the study of French letters and culture.

The *John McShain Prize* offered to the member of the Senior Class who has maintained an excellent scholastic

record and is considered by the faculty to have done most for the *public welfare of La Salle College*. In determining the winner of the McShain Award, the Committee on Awards considers the following features of a Senior's record at La Salle: Scholastic; Cultural, which includes participation in such activities as debating, the glee club, dramatics, etc.; Social, participation in the conduct of activities in this area; and finally, the responsibility assumed by the individual in general service to student activities.

About one month before Commencement, all Seniors are requested to submit to the Committee on Awards a list of the activities in which they engaged over a period of four years. An evaluation of these activities will enable the committee to select the Senior to whom the Award is made.

The *Reverend Charles F. Gorman Award* offered to the member of the Senior Class who has demonstrated that he will profit from the opportu-

nity to pursue graduate studies in Sociology.

The *Alpha Epsilon Honor Society Award* offered to the Senior with an excellent scholastic record who has shown great interest in extra-curricular activities.

The *R.O.T.C. Award*. A medal is given each year by the Association of the U. S. Army Artillery to the outstanding graduating cadet of the La Salle College R.O.T.C. Unit. The medal is a bronze reproduction of the Palma Viechio painting of Saint Barbara encircled by the words: "Association of the U. S. Army Artillery R.O.T.C."

22. *Electives.*

The requirements of a well balanced curriculum in some Areas of Instruction are so exacting as to preclude any election of courses by the student. Where electives are permitted, they may be taken only with the written consent of the Course Adviser for the curriculum involved.

23. *Change of Courses.*

A student may make, with the written approval of the Dean, a change in his roster of courses before the lapse of one week following the beginning of a semester. Courses dropped or discontinued without the written approval of the Dean after this period are recorded as "Failures" and are so evaluated for all purposes. The classes missed in the course to which the student transferred ordinarily are charged against the student.

24. *Change of Curriculum.*

A student may be permitted to change from one Lower Division Program to another, or from one Area of Instruction to another, only when his previous record indicates that he may profit by such a change. In any change of this type the student must have the written permission of his future Course Adviser and the Dean, and enters the new curriculum on a probation basis. This change may entail taking ap-

proved summer courses or an additional semester in college. In no case may a student who transfers receive promotion or a degree sooner than he would have received it, had he not transferred. No degree may be received less than one year after a change of curriculum.

25. *Withdrawal.*

A student who withdraws from the College must submit a written statement to that effect to the Dean. In the event that a student withdraws without submitting the above notification, except where parents or guardian have made a similar request in writing, honorable dismissal is not granted. The date of filing a notice of withdrawal is considered as the date of withdrawal in all cases.

26. *Outside Work.*

A student who plans to support himself in whole or in part during a semester should obtain the approval of the Dean and should report the details

of the proposed employment to the Dean's office. The sole reason for this is helpful guidance of the student's program of study.

27. *Religious Instruction and Philosophy.*

Every Catholic student, unless excused by the Dean, must follow the prescribed courses in Religious Instruction for the first four semesters on the lower division. If a student is a transfer, he must make up these courses.

Non-Catholics students are not required to follow the courses in Religious Instruction. During the freshman year, non-Catholic students follow a course in Basic Philosophy which is a study of fundamentals providing a basis for an outlook on life in conformity with the spiritual nature of man. The course prepares the non-Catholic student for the required advanced courses in Philosophy and is not to be considered as part of the required 18 hours in Philosophy.

Each student must follow the prescribed courses in Philosophy on the lower and upper divisions. The required number of hours in Philosophy covering both divisions is 18.

28. *National Freshman Testing Program.*

All freshmen participate in this program during Orientation Week. The results of these tests are of invaluable assistance in directing freshmen in their scholastic endeavors.

29. *National Sophomore Testing Program.*

Sophomores take part in this program at the completion of the lower division program of studies. The results of these tests not only measure the achievements of the first two years of study, but they likewise enable the students to compare their accomplishments with students in similar standing on a nation-wide scale.

ACADEMIC GUIDANCE

1. *Freshmen Counsellors.*

Early in the Freshman year Counsellors are assigned to assist the new student to adjust himself to the change brought about at the start of his college career. Freshmen should seek the help of their Counsellors so that they can prepare themselves to make an intelligent choice of the Area of Concentration from which their major field will be selected. Counsellors precede Course Advisers in the academic guidance program.

2. *Course Advisers.*

Academic guidance is necessary to enable students to derive the utmost benefit from their programs of study. Members of the faculty are appointed to give assistance in the selection of programs of study and of courses within such programs. Course Advisers work under the direct supervision of the Dean's office.

Freshmen are to register during the

first week of May with the Course Adviser of the Area in which they are working.

Sophomores are to register during the second week of May with the Course Adviser assigned to the Area of Concentration of their choice.

Juniors will be interviewed by their Course Advisers during the third week of May.

In Areas where a student builds his roster for the following term from Electives (e.g., a student who is following a Liberal Arts program; Education students seeking certification in various fields, etc.) it may be necessary for him to consult with his Course Adviser before the close of the Spring term. In such cases, a final roster must be approved for a student before the beginning of the Christmas recess.

Every student must have his roster approved and signed by his Course Adviser before turning in his selection of courses to the Dean's office.

GENERAL REGULATIONS

1. *A Student Directory.*

A card file containing the name, address, telephone number and current roster of each student is located in the Library. Students are requested not to approach any office in search of this information. The student directory, located in the Library, is for general reference.

2. *Bulletin Boards.*

The official bulletin board of the College is located near the Twentieth Street entrance to the College building. Other bulletin boards are departmental. Students are held responsible for all notices appearing on the official bulletin board within twenty-four hours after posting.

Student groups making use of the bulletin board for announcements of their activities shall type or print neatly such notices on a piece of paper that measures approximately eight inches by eleven. For shorter notices, a piece one-half this size may be used. Notices which are carelessly prepared are subject to removal without explanation. After a notice has expired, those responsible for its posting are expected to see to its removal.

Posters or notices advertising events held outside of the College's jurisdiction must have the permission of the

Dean's office before they can be exhibited on the official bulletin board.

Students are prohibited from affixing notices to any part of the woodwork or walls in corridors and classrooms. Failure to comply with this regulation will subject students to disciplinary action.

3. *Student Discipline.*

There is no elaborate set of regulations which defines the conduct of La Salle men. They are expected to act at all times with the propriety befitting Catholic young men. Any departure from this standard of conduct, on or away from the campus, is subject to such disciplinary action as may be deemed necessary by the college authorities. Such action will be directed by the President or Dean of the College after the Faculty Disciplinary Committee reviews the case.

This non-scholastic disciplinary action may take one of the following forms:

A. *Probation*—wherein a student has shown himself guilty of misconduct sufficiently grievous to warrant notice by the College authorities and where his status as a College student is such that privileges (including academic) ordinarily granted a student are temporarily denied him. A student on probation is subject to close supervision by the faculty. The time limit for the period of probation is set by the Dean.

B. *Suspension*. Such action is taken when the misconduct drawing censure assumes grave proportions. Suspension means exclusion from classes until the end of the semester during which the student draws such action upon himself. Suspension does not deny the student the privilege of re-entering the college at the start of the following semester or at some future appropriate time.

C. *Dismissal*. A serious breach of the canons of conduct expected of Catholic young men may result in dis-

missal. Such action means exclusion from classes without the privilege of reentering them. Usually such action means dishonorable withdrawal and an entry is accordingly made on the student's permanent record.

4. *Demeanor.*

The deportment, dress, posture, actions, language, and tone of voice of a cultured college man are expected at all times.

5. *R.O.T.C.*

In addition to the regulations contained in this Handbook, R.O.T.C. students will comply with the Cadet Regulations published by the Department of Military Science.

6. *Property Damage.*

In the event of damage to any building, furniture, apparatus, or other property of the College, students responsible for such shall be held liable and subject to disciplinary action.

7. *Smoking Regulations.*

Students are permitted to smoke in the following places:

1. The corridors of College Hall
2. The locker room and the basement of College Hall
3. The lobby of the Auditorium
4. The lounge in Leonard Hall

Smoking is strictly prohibited at any time in:

1. All classrooms and laboratories
2. The auditorium and on the stage
3. The Faculty residence
4. The luncheonette in Leonard Hall
5. The cafeteria beneath the gymnasium
6. Any part of Benilde Hall

8. *Campus Pride.*

Students are requested to respect the neatness of College buildings and grounds. Receptacles are provided for articles to be discarded.

Lunches are to be eaten in the cafeterias. No lunches are to be eaten in classrooms, corridors, laboratories, or

lounge rooms. It is specifically forbidden to eat lunches on the College quadrangle.

Students are not permitted to use the quadrangle as a playfield.

Students are strongly exhorted not to make short cuts through the quadrangle and other lawns.

9. Parking Regulations.

Students may park on the south side of Olney Avenue; on both sides of Twentieth Street south of Olney Avenue and on the west side of Twentieth Street north of Olney Avenue except in the areas marked by "No Parking" signs.

Parking is prohibited inside the campus gates and on the east side of Twentieth Street, north of Olney Avenue.

10. Non-Liability.

The College will not be responsible for books, articles of clothing, etc., left behind by the student when he leaves the premises or even when he is on the premises; nor will it assume

responsibility for the loss due to theft, fire, etc., of books, clothing, or other articles in possession of the student.

11. *Insignia.*

No insignia bearing the seal of the College can be used by any organization without the specific approval of the Dean in each case. This refers to club keys, class rings, and any other emblems bearing the College seal. The sale of class rings bearing the seal of the College shall be transacted through the College store.

Students are not permitted to wear athletic insignia of other institutions on the campus.

12. *Out-of-Town Students.*

All out-of-town students must register their local residences with the Dean's office. Such residences are subject to inspection by the College. If found to be unsatisfactory, the student concerned will be notified and placed on probation until he obtains new, approved quarters. The Dean's office

provides such students with a list of available rooms that are approved.

13. *Advertisements.*

No student may solicit or accept advertising material or enter upon any contracts pertaining thereto for use in any publications, programs, or announcements connected with the College in any way unless both the purpose of the advertising and the names of the prospective advertisers are approved by the Faculty Adviser or Dean.

14. *Campus Store.*

The La Salle College Campus Store is a service provided for student convenience. It is located in Leonard Hall. All books, supplies, and class materials may be procured there. It is the policy of the Campus Store to offer these necessities at reasonable prices in keeping with market trends. The Campus Store provides the student with the opportunity to procure such articles as sports wear, jewelry, pennants, religious articles, novelties, etc.

15. *Merchandising.*

All students are forbidden to engage in merchandising of any kind on the premises of La Salle College.

16. *Lockers.*

Lockers may be rented through the Campus Store.

17. *Mail.*

Students are not permitted to use the address of La Salle College for the receiving of their personal mail. This applies especially to correspondence with the free public library and the various branches of the Armed Forces. Mail addressed to students concerning school activities is delivered to Benilde Hall-103.

18. *Telephone Messages.*

Telephone messages are not delivered personally except in cases of emergency.

19. *Use of Facilities.*

Permission to use class or lecture

rooms for student meetings must be secured from the Dean.

Student groups desiring to use the facilities of Leonard Hall should first secure approval of the Dean's office and then arrange with the Manager of Leonard Hall.

20. *Public Address System.*

Announcements over the public address system are prefaced by the signal, "Attention, please!" Students are requested to pay close attention to such announcements.

21. *Lost and Found Department.*

Lost or found articles are to be reported to the Campus Store.

CLASSES

1. *Faculty Advisers.*

A Faculty Adviser for every class and for every extra-curricular activity will be appointed by the Dean of the

College. He shall act as liaison officer between the organization and the Dean, acting for the College administration.

The President of the class or organization should inform the Adviser of the time and place of all meetings.

The President of the organization should consult with the Adviser regarding the agenda of the meeting.

The Adviser shall act as judge in all questions as to the legality, propriety or diplomacy of decisions or actions of the organization or its members in what concerns college regulations, cordial relations with other campus activities and inter-institutional relations.

The Secretary shall keep the Adviser informed concerning the membership of the organization. (This does not refer to classes.)

2. *Officers.*

The class officers shall be a President, Vice-President, Secretary and a Treasurer.

Any member of the class who is carrying a failure in his studies may

not serve as a class officer or chairman of any committee representing the class or the student body as a whole. Should a student who falls into any one of the aforementioned categories receive a failure during a term of office, he loses his office automatically, and another student, in good standing, may be elected to fill out the unexpired term.

3. Elections.

All elections and meetings must have the consent of and be supervised by the Faculty Adviser. The minutes of the meetings must be available to the President and Dean of the College upon their request. Elections, appointments, as well as general or particular business of class or general student bodies, may be nullified by the President or Dean of the College when such is considered necessary for the common good.

Class officers for the scholastic year should be elected toward the close of the term preceding the scholastic year

for which the elections are held. Ordinarily this period would fall during the final weeks of the Spring semester, the officers, then, beginning the discharge of their duties at the start of the following scholastic year. During the period of transition, this may not be possible in every case.

The Freshman Class may elect trial officers during the Fall term but their term of office will last only for the time specified by the Class. The final election of Freshman Class officers will be held at the end of the Fall term.

The method employed in the elections shall be similar to that used in civic elections. In general, this shall mean a written ballot to be cast at a central polling place.

That the election be considered valid, two-thirds of the total possible vote must be polled for any office in question.

A committee of three, appointed by the Class President, or, when that is not possible, by the Faculty Adviser,

shall comprise the official board to count the ballots and to announce the election returns. This board shall be under the direct supervision of the Faculty Adviser.

ORGANIZATIONS

Student groups, organized for specific purposes be they academic, social, religious, or athletic, contribute desirable outcomes to student life as a whole. Campus life is incomplete without such groups and organizations.

Student groups require the permission of the faculty. Application for approval should be filed with the Dean. Specific approval of the nature and purpose of such groups insures their harmonious blending into campus life. A group is given official status as a student organization when faculty approval is granted. The general regulations governing the conduct of classes as groups applies to particular student organizations likewise.

To avoid the vagueness and gener-

ality induced by large memberships, no group may comprise a number that exceeds sixty. When membership exceeds this level, there is great difficulty in preserving the specific objectives of a group and gradual disintegration with consequent dissolution results. Memberships, including officers, should be filed with the Dean.

Clubs and societies should work in close cooperation with their Faculty Advisers. This always insures unquestionable propriety.

Student delegates to intercollegiate meetings must have the approval of the Dean.

The following organizations have been a rich part of La Salle's traditions:

Accounting Association

This is an organization of all Upper Classmen majoring in Accounting who are interested in broadening their knowledge of financial matters and being appraised of the opportunities

for positions subsequent to Graduation. The Association obtains successful Business Executives and Practicing Certified Public Accountants to speak at their monthly meetings on subjects of current interest to students of Accounting. Periodically the Association sponsors round table discussions among its members on controversial subjects in Accounting and Allied Fields.

Honor Society of Alpha Epsilon

The Alpha Chapter of the Honor Society of Alpha Epsilon was established at La Salle College on June the third, 1935. The purpose of the society is to provide suitable recognition of scholarly attainment in conjunction with extra-curricular activity as well as to promote closer affiliation between students, alumni and the faculty. Members of the Senior class are eligible for election. Candidates for membership are nominated by members of the College faculty and elected by the society.

Alpha Epsilon Delta

A chapter of this National Pre-medical Honor Society has been established on the La Salle campus. It is known as the Pennsylvania *Delta* chapter. The object of this society is:

- (1) To encourage excellence in pre-medical scholarship.
- (2) To stimulate an appreciation of the importance of premedical education in the study of medicine.
- (3) To promote cooperation and contacts between medical and premedical students and educators in developing an adequate program of premedical education.
- (4) To bind together similarly interested students.

Caisson Club

The Caisson Club is an organization sponsored by the Reserve Officers' Training Corps. The primary purposes of this club are:

To maintain a high standard of military education in school,

To encourage and foster the essential qualities of good and efficient officers, and

To promote friendship and good fellowship among the cadets.

The Caisson Club sponsors the Annual Military Ball and other social and business functions for members of the R.O.T.C. Membership in this club is limited to outstanding students in the second year basic course and the advanced course.

Chymian Society

The Chymian Society is organized for the purpose of fostering interest in chemistry. This society received a charter in 1949 from the American Chemical Society as a chapter of student affiliates. Lectures, movies, plant visits, and various other projects including some social activities constitute the programs held biweekly. Students majoring in chemistry are eligible for membership.

Doernenburg Society

Students of the German language and culture have their organization in a society named for the late Professor Emil Doernenburg. Members prepare papers on phases of German art, music, and philosophy which interest them, and combine club activities with social ones by exchanging visits with similar organizations at neighboring colleges.

Economics Club

The Economics Club has for its purpose the furtherance of interest in and understanding of the theoretical and practical aspects of economics with emphasis on Catholic Social Philosophy in relation to economic life. This shall be accomplished primarily by means of discussion group meetings. Membership is open to all interested students.

Fabrician Society

The Fabrician Society is open to all students interested in the biological sciences. Founded in 1933 as the *Pre-*

medical Society of La Salle College, it succeeded in erecting on the campus a chapter of *Alpha Epsilon Delta*. Its aims are, therefore, similar to those of the latter group.

Gavel Society

The Gavel Society exists at La Salle College for the general purpose of drawing together all those men who are interested in argumentation and debate and for the specific purpose of providing membership for the intercollegiate debating teams representing the College.

Glee Club

Traditionally, the Glee Club at La Salle has been a symbol of the high appreciation of the finer things of life found among La Salle men. Not only has the Glee Club been a musical group; it has always been a friendly group whose members were held together by a fraternal spirit of comradeship. The Glee Club sponsors several recitals during the year, at which guests soloists perform.

International Relations Club

The IRC is affiliated with the Carnegie Foundation for International Peace and with the National Federation of Catholic College Students. The IRC is open to all students of La Salle in good standing. It endeavors to develop discussion leaders and offers opportunity to practice parliamentary procedure. Regular meetings are held in which papers are presented or panel and round table discussions are conducted. There is a regional intercollegiate meeting monthly, and, from time to time, radio discussions are presented over WFIL.

Interracial Council

The Interracial Council is a group of students who, by a study of interracial principles and varied activities, promote on campus the Catholic concept of justice and brotherhood in interracial relations. Their activities include a clothing drive, an annual forum, and close cooperation with the

regional and national commissions in NFCCS. At present the membership includes students from three races.

La Salle Theatre

The La Salle Theatre is a dramatic group offering opportunities to students interested in the stage. The annual program includes short presentations and full length plays. Student participation in this extra-curricular activity covers all aspects of stage work. Besides acting, members of the La Salle Theatre take part in make-up and costume work, scenery construction and lighting, as well as the business of promotion associated with dramatic productions.

Le Cercle Claudel

Students of the French language and culture find an outlet for their interests in this society named for the contemporary French-Catholic diplomat and author Paul Claudel. Two meetings a month, a French language play, and a dinner for its members comprise the activities of this society.

*National Federation of Catholic
College Students*

This is an organization of Catholic college students throughout the country whose purpose is to acquaint students with their responsibility to the student and post-college communities and to contribute to Catholic lay leadership.

Operating through a series of National and Regional Commissions, NFCCS coordinates and directs activities in such fields as Interracial Justice, Mariology, Press, Family Life, International Relations, Confraternity of Christian Doctrine, Industrial Relations, Liturgy, and others. NFCCS is one of the groups which fulfills the papal definition of Catholic action.

The Youth Department of NCWC directs each member college (there are 182 at present) to select or elect two students who will represent their college on the Regional Executive Council and plan the program for the Region. These two delegates report to

the student body on the activities of the Federation on all levels.

La Salle is in NFCCS to a major degree, holding the National Commission on Interracial Justice which directs interracial activity throughout the nation's Catholic colleges, and the Regional Interracial Commission, which performs a similar function on the local level. Also at La Salle is the Vice-Presidency of the Philadelphia Region (consisting of eight colleges).

Newtonian Society

The Newtonian Society is an academic organization devoted to the interests of students in the physical sciences. The society sponsors frequent lectures, given by the faculty, members, or invited guests.

The Newtonian Society likewise supports other activities of a scientific or social nature, as the opportunities of the school calendar and the interest of the members direct.

Out-of-Towners

Students whose residence, while in attendance at La Salle, is other than their home residence, are eligible for membership in the Out-of-Towners Club. The purposes of the group are purely social. Notices of meetings are posted regularly on the bulletin board.

Philosophy Club

The Philosophy Club offers an opportunity to consider the problems of philosophy more extensively than do the required courses but without the emphasis on technical aspects required of Philosophy Majors. Two kinds of memberships are available: *Active*, for members who have time to prepare material for discussions; *Participating*, for members who have time only to be present for meetings.

Photography Club

The Photography Club is an organization for those interested in the artistic application of photographic tech-

niques. The club sponsors competitions for which appropriate rewards are provided.

Podium Society

The purpose of the Podium Society is to encourage interest in classical and semi-classical music. Weekly recorded concerts are presented to further the appreciation of fine music. These concerts consist of excerpts from operas and symphonies, as well as data regarding the works and lives of the great composers. In addition to the regular schedule of weekly concerts, a number of evening programs are given to which members may bring guests. After two years' membership in the organization, the Podium Society Gold Key is awarded provided a member has maintained a satisfactory scholastic average.

Radio Club

The present Radio Club is a revival of a similar function of La Salle that was activated at the time of World

War I. It is the aim of this organization to further the interest of the student body in radio and its allied fields. To accomplish this aim the following provisions have been set forth:

1. Informal instruction on radio fundamentals, electronic equipment, and code by the physics department and by members of the club.

2. Establishment of a College radio station and its operation and maintenance.

3. Practical application in the development of laboratory techniques.

4. To assist in the maintenance of the electronic apparatus in the various laboratories and at the same time providing technical advice on the functioning of such apparatus.

Radio Workshop

With its membership open to all undergraduates interested in the artistic or mechanical techniques of radio, the Radio Workshop was formed at La Salle in the Spring of 1947.

The Workshop is all that the name implies: original script-writing, and skills in acting, directing, and producing for radio are emphasized at weekly sessions dedicated to group participation and criticism. Lectures, films, and visits to studios in the Philadelphia area comprise an auxiliary program.

Aiming finally at the production of scripts for actual presentation on the air during the school term, the Workshop has secured the critical assistance of a well-known Philadelphia news-analyst, as well as the cooperation of the English faculty.

Sigma Beta Kappa—Gamma Chapter

In the Spring of 1947, the Gamma Chapter of Sigma Beta Kappa was formed on the campus of La Salle College. A national Catholic organization devoted primarily to the development of character and campus leadership on the basis of a strong sense of Christian morality, the fraternity membership is limited by its charter to a small segment of the student body.

Any undergraduate of the College may be pledged to Sigma Beta Kappa, the deciding factors in the selection of new members being the ability of the pledge to carry out the aims of the group.

Each chapter of the National Fraternity is required to adopt as a secondary aim some political, social, or economic phase of Catholic action. Prior to the final approval of its charter and by-laws at the end of the Summer of 1947, La Salle's Chapter, in a unanimous decision of its charter members, voted to advance a sound program of Catholic Youth Welfare.

Social Science Club

Social Science Club has for its purpose participation in Catholic Action as urged by His Holiness, Pope Pius XI, through promoting interest in the social sciences, by attempting to integrate the social science courses, by affording an outlet for student activity, and by pursuing an understanding of current problems.

Society for the Advancement of Management

This is the national professional society of management men. It aims to enhance the application of scientific management principles in industry and to foster the development of future managerial talent. Activities in the student chapter of S.A.M. prepare the college man for a more effective role in the management duties he will perform in industry after graduation.

Herbert S. Weber Society

The Herbert S. Weber Society is the English club at La salle College, Membership is open to all students of the College, particularly those who concentrate in English studies and Education students who intend to teach English in the schools. Discussions on literature and writing, as well as on dramatic presentations, amateur and professional, comprise the program of the meetings. Often a visiting speaker is invited to the monthly meetings.

PUBLICATIONS

The major student publications of the College are the *La Salle Collegian* and the *Explorer*. The former is the weekly newspaper, which serves both as a workshop for students interested in journalism and as a vehicle for disseminating information to the student body. The latter is the yearbook published by the members of the graduating class to serve as a record of college life and of the outstanding events of the year.

RELIGIOUS ACTIVITIES

The chapel of La Salle College provides a convenient center both for personal meditation and for group worship. Its facilities and the services of the College Chaplain are available to the student body at all times. Holy Mass is offered every morning before the first class. In addition, the College marks special events by observances such as the Mass of the Holy Ghost at the beginning of the school year; likewise, each student is given the opportunity to make a retreat with the members of his class.

The *Adoration Society* provides an opportunity for students to show special devotion to the Blessed Sacrament by maintaining a continuous student vigil of prayer in the College chapel during the school day.

The Liturgy Roundtable meets monthly to discuss the significance of the Sacred Liturgy. Its chief interest is in the liturgical spirit of the seasons and festivals of the Church year.

ATHLETICS

La Salle College supports a program of intramural and intercollegiate athletics that is designed to meet the needs and serve the best interests of the entire student body.

McCarthy Stadium

Intercollegiate football had been discontinued at the outset of World War II. McCarthy Stadium was the scene of many a thrilling Explorer battle. Presently, the stadium is used for track and field contests. The acquisition of several Quonset huts has increased dressing room facilities for outdoor sports.

The Field House

A spacious gymnasium is located on the southern wing of the quadrangle. It is equipped with modern folding bleachers, which, drawn back, make available three courts for basketball. The main floor permits a spacious area for major contests. Suspended glass backboards complete the modern dress of the gymnasium.

The Athletic Field

Adjacent to the quadrangle and running the full length of the stadium is an extensive athletic field on which are located several baseball fields, softball fields and volleyball courts.

Intramural Athletics

The program of intramurals is developed to satisfy the needs of the student body to the extent permitted by available facilities. Intramural leagues in seasonal sports—touch football, basketball, tennis, baseball, softball, volleyball, swimming—are formed. Every student enrolled at La Salle is eligible to participate in the intramural program.

Other activities will be added as rapidly as student interests demand and facilities and equipment permit. Students are urged to make known their interests and desires to the Director of Intramural Athletics.

Intercollegiate Athletics

The program of intercollegiate competition includes basketball, baseball, tennis, track, crew, swimming, soccer and golf. All students are eligible to compete for varsity positions in these sports. Candidates are called at the beginning of the season in the respective sports.

Athletic Awards

To be eligible for a varsity athletic award, a participant in a varsity sport must meet the following requirements:

- (a) At all times he must conduct himself as a true gentleman, seeking to advance himself and to promote the best interests of his team and his college.
- (b) He must meet the scholastic requirements demanded of all students.
- (c) After he has been recommended by the coach of the sport in which he has participated, and after he has merited the approval of the

Athletic Council, and after he has fulfilled the requirements as they are indicated below, he shall be awarded a letter for each sport in which he took part.

Basketball

To be eligible for a varsity award in basketball, a participant must have taken part in a majority of halves in all games played during the official season. (By majority here is understood one more than half the total number of games played on the regular schedule.)

Baseball

To be eligible for a varsity award in baseball, a participant must have played in a majority of innings for one season. (By majority here is understood one more than one-half the total number of innings played in the regular season.) (A pitcher or a catcher must take part in at least one-half the number of innings required of the other players.)

Track

To be eligible for a varsity award in track, a participant must:

- (a) Win one or more points in an open conference meet (Middle Atlantic, N.C.A.A. or IC4A) :
- (b) In Spring Track, in all other than open meets, score an average of three points per meet. Those who participate in Indoor Track and remain with the squad for the season, receive five points toward the Spring Track requirements.
- (c) In Cross Country, be one of the first five low scorers.

Swimming

The requirements shall be the same as those in track.

Tennis

To be eligible for a varsity award in tennis, a participant must have taken part in one-half of the regularly scheduled meets. A member of the

squad who wins a conference singles championship or who is a winner in a doubles championship shall be eligible for an award.

Golf

To be eligible for an award in golf, a participant must have taken part in one-half of the regularly scheduled matches, or must have competed with credit in an annual conference tournament. (To have competed with credit shall be interpreted as having placed in the upper fourth of the competing group.)

Crew

To be eligible for an award in rowing, a member of the crew must have taken part in one-half of the regularly scheduled races.

The Varsity Award

Basketball, baseball, swimming and track are considered major sports at La Salle; tennis, golf, crew are minor sports. The award shall be an eight-

inch block letter of gold; or, in some cases, blue. The granting of a sweater award is at the discretion of the Athletic Council. Sweaters are awarded to those winning their first major or minor letter. The second sweater may be awarded in the Senior year. Sweaters won in the Senior year shall have the number of stripes on the left sleeve equal to the number of letters won in that particular sport. A contrasting colored stripe shall denote a captaincy in that sport.

Admission to Athletic Contests

Students are admitted to home basketball games played in the College gymnasium by presenting the Activities Book. Special student tickets are available for games played in Convention Hall.

Praefectus Club

This is an organization composed of student managers of athletic teams. To be eligible for membership in the Praefectus Club, a candidate must:

1—Serve one year as an apprentice manager, this apprenticeship to be served in the sophomore year, and then be voted in by members;

2—Maintain a high level of scholarship;

3—Evidence loyalty to La Salle and her ideals;

4—Have a keen desire to work for the good of the College;

5—Be courteous and gentlemanly at all times.

The benefits to be derived from an organization of this kind are the satisfaction of knowing that one is performing a necessary and worthwhile function, and that one is bringing to the attention of visitors to the campus the high type of young man comprising the student body of La Salle.

The athletic department plans to give each member a distinctive indication of his membership. A blue blazer and shield will be awarded upon satisfactory completion of one year of

service and being voted into the club by the members. A dinner meeting will be held annually at which new members will be chosen.

Those selected to be head managers during the senior year will receive the varsity monogram and sweater in advance, so that they may be worn during the senior year. All other managers will receive appropriate awards.

Varsity Club

The purpose of the Varsity Club is the organization of the lettermen in a society to advance and improve varsity and intramural athletics, to stimulate student interest, and to support athletic teams. To be a member, a player or manager must have earned the Varsity Letter. The club usually conducts a dance and offers financial assistance for athletics when needed.

MEMORANDA

THE COLLEGE MARCH

"Men of La Salle"

Men of La Salle, we are marching
With our colors of Blue and Gold.
Meeting our foemen with valor
For we'll fight for the glory of old.
So let's to the battle with courage
For our goal is now in sight;
And we'll hope, fight, and cheer
With all our might so strong
'Till nobly we have fought and won
the fight.

Chorus

Fight on to victory!
Onward our watchword be.
We're out to win this game with all
its honor.
For you, La Salle, we'll always fight
and conquer.
Fight on to victory!
Let all your courage see.
And homeward we'll cheer thee
As sons of La Salle
So fight on to victory!
